

## 30 Day Limited Warranty

**30 Day Limited Warranty:** Zabteck Performance warrants that our products are free from any defects in manufacture, materials, workmanship when used in the vehicle application for which they were originally designed for 30 days. If such defect is discovered within this warranty's limitations, Zabteck Performance agrees at its sole discretion, to repair or replace with the same item or one of equal value. Many after-market components are legal for off-road use only, which may never be used on public highways, and may also void your automobile manufacturer's warranty. This is the standard among the aftermarket industry. All warranty claims submitted must include proof of purchase.

Failure to provide proper documentation renders warranty null and void.

**Exclusion from Warranty Coverage:** The warranty shall not apply outside of the United States or to which a) has been improperly installed, or installed in vehicles for which it was not designed b) has been modified or altered by the actual user or dealer or distributor. c) was not sold by Zabteck Performance or through an authorized Zabteck Performance dealer or distributor, or d) was disassembled for servicing or any other reason by the purchaser or his agent e) was misused, tampered with, subjected to abnormal working conditions, or transferred to someone other than the original consumer purchaser.

**Zabteck Performance's Obligation:** Zabteck Performance's obligation under this warranty is limited to replacement or repair of the defective item at its sole discretion. Zabteck Performance has no obligation to bear any labor or other costs in return, removal and/or installation and will not be liable for any special, incidental, or consequential damages, including loss of use of the vehicle. Some states do not allow the exclusion of limited or incidental or consequential damages, so the above limitation or exclusion may not apply to you.

**Rights of Purchaser:** The warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
